**Re: Authorization under the Alaska Pollutant Discharge Elimination System (APDES)
General Permit AKG332000 – Facilities Related to Oil and Gas Exploration,
Production, and Development in the North Slope Borough**

Dear Mr. Von Imhof:

The Alaska Department of Environmental Conservation (DEC), Wastewater Discharge Authorization Program (WDAP) is issuing authorization **AKG332052-Delta Leasing Fleet Operations** at Deadhorse, Alaska for the following discharges:

- Discharge 006 – Industrial Stormwater

This APDES authorization becomes effective on January 22, 2019. All correspondence with the Department regarding this authorization must include a reference to **AKG332052**.

A copy of this authorization has been provided to the DEC Compliance and Enforcement Program's (CEP) APDES Data Section. A team member from CEP can provide you with copies of the appropriate spill report and violation notification forms if requested. These forms may also be found in the back of the Permit or online.

As of January 1, 2018 Phase I of the eReporting Rule is in effect for this authorization and all Discharge Monitoring Reports (DMRs) must be submitted electronically through NetDMR per Permit Section 2.10.3.1. Deliverables required by the permit that cannot be entered directly into the NetDMR system can be included as attachments. However, the NetDMR system is not currently intended to receive attachments that could require actions or immediate review by DEC until implementation of Phase II of the eReporting Rule. Therefore, other submittal requirements including but not limited to Annual Reports, Notice of Intent, Notice of Termination, Delegation of Authority, Permit Transfers and Name Change Requests, are still required to be sent to the following address or email:
